

## Mrs. Beyer's Discipline Management Plan

In order to guarantee your child—and all the students in our classroom—the safe, supportive learning climate they deserve, we will be utilizing a clip chart to monitor behavior. A clip chart is a great tool that allows students to be rewarded for positive behavior, while discouraging negative behavior.

Each student has a clothespin, or “clip,” with his/her name on it. Everyone will start on green at the beginning of each day, and clips can be moved up and down throughout the day based on behavior.

### Classroom Expectations:

Be Safe. Be Respectful. Be Responsible.

Super Star Student!	Purple—The <b>Super Star Student</b> level is reserved for outstanding behavior. A student who reaches this level will earn a special note home, and a jewel on his/her clip!
Great Job!	Blue—Students can move to the <b>Great Job</b> level for continuing to display good behavior. You should be very proud of your child for reaching this level!
Ready to Learn!	Green—Every student will start the day on the <b>Ready to Learn</b> level. As the day goes on, clips can be moved up and down, based on behavior. This level is a good one to be on!
Warning	Yellow—A student will be moved to the <b>Warning</b> level as a reminder to follow the rules.
Consequence	Orange—Students who continue to display poor behavior choices can move down to the <b>Consequence</b> level. Loss of recess or center time might be an appropriate consequence.
Parent Contact	Red—When a student moves to the <b>Parent Contact</b> level, the teacher will notify parents via note or phone call. A visit to the Principal's office might also be in order. Students on this level may also lose recess time, etc.
